

## DONATE TO UWC NCC THROUGH UNITED WAY

Thank you for considering to support UWC through the United Way.

United Way is its own charitable organization, when you donate to the UWC NCC through United Way, there is a loss of your donation to the added service fees, so we do encourage you to donate directly to the UWC NCC through our direct links. However, we recognize that many workplaces support UW campaigns, and if you would prefer to donate through the United Way process, every little bit counts and we welcome any and all support.

### How to donate to the UWC NCC via United Way:

1. Before making a donation, check with your local United Way if they do 'designated donations' to other registered charities.

2. Once you are sure, make a donation and mention in your donation something like the following note:

"I would like to designate 100% of this donation to go to the UWC NATIONAL COMMITTEE OF CANADA, Victoria, British Columbia, (Charitable Registration No. 708618095 RR 0001)".

Please note there will be a processing fee of around \$17 per donation charged by the United Way for their admin cost.

3. If you are making a donation online, you should give your local United Way a follow up call to ensure the donation will be sent to UWC NCC.

4. Send an email to the UWC NCC ([fundraising@ca.uwc.org](mailto:fundraising@ca.uwc.org)) letting us know to expect a donation in your name from the United Way. Please also mention the amount and which United Way you've sent your donation to.

Should you have any questions, or need more information, or simply want to chat about UWC NCC, please get in touch with us.

650 Pearson College Drive  
Victoria BC, V9C 4H7
