

Dear friends of the UWC National Committee of Canada (NCC),

It's that exciting time of year when UWC candidates across Canada have completed their selection activities and interviews, and we are working hard behind the scenes to match the top students to their best fit UWC campus. Thanks to the generous support of schools (and their donors), each year we are able to place Canadians from a wide variety of economic backgrounds at UWCs around the world.

However, tuition costs are rising across the movement, and the amount of funding that is being asked of the NCC to bring to the schools (either through parent contributions or scholarships) increases annually. If these pressures continue, it will be harder and harder to place all of our selected students, and particularly those presenting the greatest need.

This is why I am reaching out to you today. The NCC needs your help. There is currently a 'Dare 2 Dream' scholarship available, which would help us send an additional Canadian with great financial need to UWC this year. In order to be able to bid on this offer, we need to be sure we can contribute \$5000 in scholarship money. [Can you help us reach this objective by this time next week?](#)

Your donations help us make sure the next generation of UWCers are getting the same opportunities as they did in our time, and truly move the needle on our ability to send our candidates to UWCs around the world.

Thanks for your consideration, and stay warm,

Jamie Leanne Ronson
